Test Your Knowledge with this United Methodist Black History Quiz

Too often, the accomplishments of African Americans have not received adequate notice in U.S. history books and classrooms. That is why historian Carter Woodson first proposed a weeklong focus on black history in 1926. The first U.S. celebration of Black History Month happened decades later.

We invite you to take a short quiz about African American history in the U.S. and in The United Methodist Church. Just use the QR code to find it.

Be sure to let Fran Underwood know how you did. She has a gold star for anyone who earns a "U" on their quiz.

Church office hours: Mon - Thurs, 9AM - 2PM 703-527-8574 or office@ClarendonUMC.org
